Knock-through of supporting wall between living room and dining room and repair of ceiling joists 10 / 10

Dave recently came and completed 5 days work for us as part of our house renovation. We were extremely pleased with his work. He gave us a written itemised quote to begin with, charged a lower amount for something when it took him less time than he had anticipated and most of all completed everything to a very high quality of craftsmanship. We are already planning what he can do next for us and wouldn't hesitate to recommend him. **Customer in London, 15 May 2012**

2 alcove bookcase units 10 / 10

David arrived when he said he would, did the work, was happy to accept design input etc. Was tidy whilst working in a restricted area. He was a pleasure to do business with and we will definitely be using him for future projects. **Customer in Sutton, 2 May 2012**

Complete refurbishment of upstairs of house, creation of new bath/shower rooms etc 10 / 10

We employed David to undertake a complete refurbishment of the upstairs of our house over a ten week period starting end January. He was punctual, reliable and completed the work to the highest of standards. He was helpful and suggested solutions to problem areas that we hadn't thought of ourselves. The refurbishment involved taking down several internal walls upstairs, reconfiguring the layout to increase and maximise the space, creation of a new shower room and separate bathroom. All work was of an excellent standard and we found David a thoroughly nice person to have in our home. Highly recommended to all. **Customer in Sutton, 7 April 2012**

Demolition and Rebuilding of existing extension 10 / 10

David was extremely professional and did a brilliant job exactly as we asked for, and at the price quoted. He even changed the windows and door when we didn't like the original ones without any hesitation, even though this took him a bit longer and stopped him getting to his next job. Thank you David. We would not hesitate to use you again if needed.

Built staircase to loft, and boarded the loft

10 / 10

Dave is an amazing carpenter, and went beyond the call of duty in this job. Just as important, he is a really nice guy, and very trustworthy. We fully recommend him. Nothing was too much trouble for him. He was a quiet and polite worker, and we enjoyed having him around. The work he did was first class. **Customer in Wallington, 14 December 2011**
