Decorated living room, 3 walls painted, one papered+ skirting boards 9.5 / 10
I am perfectly satisfied with the work done, and I am grateful it was done at short notice. Let me say I did accept the quote given, Once the cost of materials was taken away from the total invoice I feel that the labour charges seemed high. I was desperate to get the job done before my wife came out of hospital, and therefore accepted the estimate. **Customer in Guildford, 30 November 2011**

Reply from Trader:In response to the customers comment i feel that I have to disagree. A lot more work was done then I feel that the customer understands. I am sorry that the customer feels this way. We always try to ensure customer satisfaction at all times, hence our very good feedback on our website.
