Fitting an integrated fridge freezer

9.8 / 10

Since my old integrated fridge/freezer packed up 2 days before my sons birthday party I got a new one delivered and was desperate to get it fixed within 24 hours if possible. I called Davidson Enterprise at 4.00 pm and I had a call back within 10 minutes to say that they can fit my unit in at 7.30 pm that same night. I was not only impressed with being accommodated at such short notice but the 2 gentlemen that came were polite and courteous. I would definitely be calling them again as well as recommending them to friends and family. **Customer in Sutton, 14 April 2011**

Removal of old kitchen ceiling and beams, and new ceiling put up.

Painting of kitchen walls and putting up blinds.

We were very pleased with Neil and his team who did an excellent job on our kitchen ceiling. The boys were always on time, starting at 8AM. And working through until 8PM. With just one short tea break!! They were very polite and courteous, and removed the debris daily. We would highly recommend them, in fact we have another project waiting to be started! **Customer in Worcester Park, 3 December 2010**
