Redecoration of interior of home

9.8 / 10

The work entailed stripping old wallpaper, lining and painting the walls, ceiling and all the woodwork. This was carried out to a very high professional standard where attention to detail and ensuring all finishing touches was rigorously applied. The team arrived promptly and worked solidly through the day. Often work was done outside the remit and helpful advice given when asked. The team worked quickly and efficiently often in cramped conditions. I was very impressed and would certainly ask them to return for further work and recommend them to others. **Customer in Dorking, 4 May 2012**

The whole process was extremely good. Russell quoted for the job and was able to start the work several weeks later. His painters were all extremely polite and tidy! Russell kept checking on the work and made sure everything was done to a high standard. The outside of our house now looks amazing - a big thank you to the Decorate It team. **Customer in Leatherhead, 12 October 2011**

This was the first time we had used Decorate IT and were a bit dubious to start with. We had fantastic service from our previous decorators so Decorate IT had a hard act to follow. In the end they were just as good and we shall certainly not look further when we do more decorations next year. In fact as long as they continue to impress, I suspect they may well have work for many years to come at our house. **Customer in Leatherhead, 3 October 2011**

Postponed three times (my fault) but I received no complaints just alternative arrangements to suit me. Work completed to high standard in 5 days. All workmen were polite and accommodating and Russell called in most days to ensure my satisfaction with progress. I will be arranging to use them again and have no hesitation in recommending them to others.
