A bespoke kitchen in Kent

9 / 10

It was a pleasure to deal with Louis Denham during a this 6 week build project. He was cheerful and professional and got on well with the client and other builders/suppliers. We needed a builder who worked well with other trades such as electricians, plumbers, ground workers, carpenters and be part of the team in order to work together and get the job done. I would thoroughly recommend him and his team as proactive professional people who can be relied on.

The quote was reasonable and revised to allow for additional work I requested. They were prompt, explained all they were doing and carried on in a very professional manner. A couple of very hardworking lads, who I would thoroughly recommend and use again. **Customer in Fareham, 15 December 2011**

All work completed as requested. Very clean and tidy. Took time to make sure I was happy with the paint chosen and gave option to change it if not what I had expected. Would use again. **Customer in Portsmouth, 12 December 2011**
