Took away TV to see if it was worth repairing — 10 / 10

The second time we have used him ,having found him very reliable. The set was not worth the cost of repair. So we bought a new one. **Customer in Bognor Regis, 8 February 2011**

Returned colour display to DVD player/recorder that was displaying in B&W — 10 / 10

We made an appointment for Mr Plumb to come out as our DVD player was only displaying a B&W picture, but he managed to guide me through the re-setting of the colour via the remote control over the phone and we managed to put it right, saving me a call-out charge - not many people would have done that these days. He was extremely helpful and knowledgeable and I wouldn't hesitate to recommend him in the future **Customer in Bognor Regis, 5 February 2011**

Repair of dent on wing and big scuff/scratches on the bumper. — 10 / 10

Excellent in every way. The car now looks the way it was before someone left a big dent and scratches on it. I would definitely use this company again and I definitely recommend it (actually, I already have today, twice). Thanks Paul! **Customer in Bournemouth, 7 September 2010**
