We needed blinds and curtains for our new kitchen. We got good advice in choosing both the fabric and poles. Sue and her husband were both very pleasant and the finished result is excellent. **Customer in Crawley, 6 October 2011**

#### Decorating lounge and dining room.

The best move we made 4 years ago was to employ Sue to decorate for us. Having just finished our lounge and dining room to her usual very high standard, we are delighted with her work as usual. This is the 5th project we have asked her to do. Which says it all. Very professional, very friendly, and very reasonable for the quality of work she does. So a big thank you to her. I would recommend this company. **Customer in Worthing, 11 June 2011**
