Built shelves and wardrobe unit to take sliding doors 10 / 10
Found Darren's Checktrade page after being given a huge quote for the work required. He came out and had a look the following evening and emailed a quote that night. He kept me informed at all times, did a lovely job, was pleasant and courteous and kept to the deadlines - very important as we were about to move into our new home! I would recommend Darren and will use him again in the future. **Customer in Chichester, 10 November 2011**

Kitchen worktops changed, Kitchen Cupboards moved and Sink installed 10 / 10
Darren replaced our Kitchen worktops re arranged our Kitchen Cupboards and installed a new Sink and my partner and I were very impressed with the quality of his work. Darren provided us with a very competitive quote (which was met) and carried out the work to a very high standard. Darren was always on time and worked quietly and courteously. Darren also went to a lot of effort to source the right materials for the job we wanted. I would have no hesitation in using Darren again and have in fact already recommended him to another family member who requires some work to be done. Many thanks for your hard work Darren. **Customer in Bognor Regis, 8 September 2011**
