Martin did an excellent job especially because of the uneven wall surfaces. The area was left clean, tidy and ready to use. Good communications, advice and a timely completion. Very pleased with the end result. **Customer in Fareham, 23 April 2012**

I was let down by another tiler, I contacted Martin he came out the same day, gave an excellent quote but because he new I required a tiler urgently he was able to do the work within 3 working days. Workman ship is excellent far beyond what I imagined, He was punctual and very tidy. Have already recommended Martin to my neighbour. **Customer in Portsmouth, 28 March 2012**
