Garden makeover w/ decking, patio, lawn, replacement fencing 8.5 / 10
 Good steady crew with a lot of good ideas on developing the garden. Phil persuaded me to go for the high end sandstone and I'm very glad he did. Overall, I would recommend this crew. **Customer in Basingstoke, 19 May 2011**

Driveway 9.5 / 10
 The only reason we were charged more than quoted was because the original concrete drive was so thick (more than 30cm!) they had to get a bigger digger in! The job was done within the time-frame quoted (lucky with the weather, which helped), and all the guys were helpful, friendly and polite throughout. And the end result - our new driveway - great, a real transformation! Really pleased with it (and lots of good comments from passers-by, too). **Customer in Reading, 11 March 2011**
