Rat heard and sighting in kitchen and bathroom. 10 / 10
I called Nigel following a sighting of a rat in my Kitchen. As a mother with two small children you can imagine I was horrified and I also have a phobia of rodents, Nigel arrived within an hour of calling and was polite and reassuring. He made subsequent visits and always arrived when stated. I'm sure his work went beyond that of a usual Pest Control Company as he not only blocked up holes in the drain in my neighbours gardens but he also spoke to several of the neighbours and gave advise about how future problems can be avoided, He gives great value for money, I was surprised at how little he charged me for such a thorough service. I am extremely pleased that he was recommended to me and I would definitely recommend him in the future. **Customer in Brighton, 23 January 2012**
