Repair of central heating boiler

10 / 10

Quick response. Very trustworthy lad who gives a top notch service. Polite and reliable, I would thoroughly recommend David to anybody 10/10 **Customer in Feltham, 25 January 2012**

Central heating system problem.

10 / 10

An anxious time returning home to a flooded kitchen he was reassuring on the phone, and very professional when attending to the issue. I would recommend this company. **Customer in Teddington, 28 December 2011**

General work.

9.8 / 10

We had an old and badly installed system with lots of problems and Mr Dean sorted it all out incredibly thoroughly and in a very polite and competent manner our heating has never been better! I would recommend this company. **Customer in Hampton, 13 December 2011**

Boiler Service

9.5 / 10

As has been reported, David was courteous, prompt and professional with his scheduling and manner. He called to provide notice before he arrived which is quite helpful when organising to meet. Once arrived, again, courteous and professional. Service was slightly shorter than expected but that can be put down to a good boiler. All in all, would recommend services. **Customer in London, 17 October 2011**

New Boiler and Shower work

10 / 10

Dave (and his team) were prompt, always turned up , kept in touch and informed us as the job went on, he met the challenges and offered his opinion and took in our considerations with the work, nice to find there are still some honest reliable tradesman out there, would have no hesitation in recommending him. **Customer in Ashford, 17 October 2011**
