#### Chimney stack removal

10 / 10

Having discovered that my roof was leaking around a chimney stack, I decided to ring Mr Paine on the basis of the excellent recommendations left by previous customers. Mr Paine came to give an estimate the same day that I rang and recommended that the chimney stack be removed as it was no longer in use. The price quoted was very reasonable and the work was carried out 3 days later. I was fortunate that Mr Paine was able to carry out the work so quickly as it was discovered that the chimney stack could have collapsed at anytime. The standard of workmanship carried out by Mr Paine and his colleagues was excellent, they were extremely tidy and swept up afterwards and were very polite. I would have no hesitation in recommending D J Paine and Son to family and friends and will definitely use them again for any future roofing work. **Customer in Worthing, 20 January 2012**

#### Fixed ridge tile

10 / 10

Lost a ridge tile and they fixed it along with a further tile. Wasn't the best weather and they came out at short notice to save further damage or the tile falling on anyone. Polite, friendly and tidy. Very pleased. **Customer in Worthing, 14 December 2011**

#### New flat roof, including insulation and re-boarding. Repairs to main roof, UPVC plastic fascias, soffets and guttering.

10 / 10

I would recommend this firm 100%. The standard of workmanship was acceptional, they stuck to the estimate even though some supplies turned out to be more expensive, they came when they said they would and they were a complete pleasure to have around. I couldn't have asked for anything more. **Customer in Worthing, 29 September 2011**
