### Most Recent Customer Feedback

#### Built patio and decking and changed 3 doors

9.5 / 10

We are pleased with the results although it all took a lot longer than we were expecting because they were working on other jobs at the same time so there were a lot of days we did not see anyone here at all. However, when they were here they were hardworking and went the extra mile to make sure we were happy with the work. **Customer in Ashted, 9 September 2011**
