### Most Recent Customer Feedback

#### Hedge trimming and removal over some garden waste

8.8 / 10

We had a very overgrown hedge which Tony has managed to cut back down to size and leave it straight and tidy. I also asked him to get rid of some garden waste I had produced. He removed and swept the area clean. Overall, very happy and would recommend him to others. **Customer in Reading, 19 May 2012**

#### Relaid paving slabs along footpath which had become uneven and wobbly.

10 / 10

Tony's team did another excellent job. The footpath from the pavement to my back garden had become uneven with potential trip hazards. With concrete manhole covers in a couple of places and pipework coming out of paving slabs, it was not a simple task. However, the end result is a level path with no wobbly slabs. Tony's team didn't waste any time, overcame all obstacles and tidied up afterwards. I have used the team twice recently and would have no hesitation in recommending them if you are looking for reliable, good quality, cost effective work. **Customer in Reading, 19 May 2012**

#### Renew fencing

10 / 10

The work was finished to a high standard and completed on time. I would definitely recommend this company not only for fencing but for gardening jobs as well. I am very pleased with the new fence. **Customer in Camberley, 6 May 2012**

#### Replaced boundary fence

9.8 / 10

Requested replacement of a wire boundary fence with varying sized panels. Result is straight and well made; they were frugal with the posting concrete making for a small garden footprint. Good job of clearing up afterwards too. Would use again. **Customer in Bracknell, 5 May 2012**

#### Regular maintenance of communal garden

9.5 / 10

Tony is a pleasure to work with - he has a very professional approach and has transformed our communal garden areas into a tidy space that one can be proud of. I would recommend Tony's work - he is proactive at making suggestions of improvements and has a good worth ethic. **Customer in Farnham, 29 April 2012**
