Drawings for single storey extension 10 / 10

Mike has been really efficient and professional in all our dealings with him. Most importantly he listened to what we wanted rather than 'telling' us, as so many architects seem to do! I'd have no hesitation in using him again and recommending him to others. **Customer in Brighton, 1 February 2010**

Planning for conversion of Guesthouse into 4 flats 10 / 10

I have now been consulting with Mike for 6 months on plans to convert a Guesthouse into 4 flats in Brighton.

From our very 1st conversation I felt at ease with Mike and you feel very quickly that he knows what he is doing.

Mike has had to deal with many issues on my behalf and I have to say he has been informative, efficient and provided me with excellent service.

Very highly recommended.

Thank you Mike for all your hard work, and I look forward to working with you again in the future. **Customer in Brighton, 22 December 2009**

Drawings and Planning Consent 10 / 10

Mr Farrell's work was flawless in all aspects from quotation to planning consent. We could not recommend him highly enough.

Consulted over new drive. Drew up plans and got them through planning department. 10 / 10

We consulted with Mike over plans for a hard standing area in front of our house. He drew up plans, happily revised them after discussions and then saw the plans through all the various stages with the planning committee and highways agency. He was at all times courteous, organised and efficient. He handled the whole process for us very well indeed. We confidently recommend him. **Customer in Lewes, 20 August 2009**
