Most Recent Customer Feedback

New soak away 10 / 10

Work was done fast and efficiently when he had finished you would never have known he had been there. Would definitely recommend to people needing this kind of service. **Customer in Dorchester, 12 December 2011**

Re-routing of drain from external shower room to septic tank 10 / 10

Would not hesitate to recommend Rob to anyone. Very polite and courteous and most of all helpful and informative. The work was completed to a very high standard and even though it involved digging up the lawn when he left you could not tell Rob had been on site, let alone dug up the lawn. He was also able to offer advice on possible replacement of an old soak away at reasonable cost and has also been very helpful answering questions / emails both before and after the work was done. **Customer in Southampton, 21 October 2011**

Install 2 Storm Soakaway Systems 10 / 10

Job required a re-direction of existing drain system involving access under lawn, patio and compacted gravel areas. Extremely knowledgeable at diagnosis of problem and solution required. Job well executed in quiet and confident manner. Entire job finished ahead of time. You would NOT know he had been there - fantastic finishing off. Incredibly tidy and very polite. No hesitation in recommending and glad to have chance to provide feedback. **Customer in Lymington, 13 October 2011**

Installation of sewage processing plant 9.5 / 10

Work completed efficiently by a clearly very experienced and knowledgeable contractor, working with care and consideration. **Customer in Fordingbridge, 16 September 2011**

Unblock 4" foul drain. 10 / 10

Arrived well within the time scale given. Very knowledgeable - excellent results and everything cleaned down and left tidy. **Customer in Poole, 18 August 2011**
