Replace socket 9.8 / 10
This was such a small job I wasn't sure that any professional would be interested, Elliott however came round and advised what needed doing and quoted a minimal charge which was a pleasant surprise. The weather conspired against us, but the job has now been done and I wouldn't hesitate in recommending ET Electricals. **Customer in Godstone, 6 January 2011**

House rewired. 10 / 10
The team that did the work could not have been more professional, quick tidy and thoughtful. I would recommend this company. **Customer in London, 28 July 2010**
