Arrived a day late. Lazy pipe work, used old dirty copper pipe on new job. Used scraps of pipe and used joints to extend pipe work. Poor pipe job. **Customer in Horley, 1 July 2011**

Reply from Trader: This complaint arose only after we resolutely declined to undertake any further work for this customer

#### Stripped out and re-fitted en-suite shower room

10 / 10

They stripped out our en-suite and fitted a larger shower tray, shower door, new basin and vanity unit, new heated towel rail, moved original toilet, fitted new boxing and tiled all of the remaining un-tiled walls. This is the third time we have used them and we have no hesitation in recommending them. **Customer in Crawley, 27 June 2011**
