Blockwork Paving for Front Drive including Rustic Fencing, Retaining Wall and Shrubbery Area 10 / 10

The Project is now completed and transforms the exterior of the Property. The work was carried out in a very professional and dedicated fashion. There were several alterations to the initial design and Chris was able to offer expert advice and solutions to every obstacle and concern that was highlighted to him. Even the smallest detail is considered and perfected with no fuss. Eden Landscapes were chosen as they had previously paved an area to the rear of the same property in Oct 2011. An excellent job last year and a repeat performance recently. Cannot give enough praise. Would definitely recommend. **Customer in Uckfield, 15 March 2012**

Landscape of back garden including patio, oak sleeper retaining walls and garden steps 9.5 / 10

After 3 quotes, Eden Landscapes gave the best advice, information and creative design, offering ideas that the other two failed to give. They were courteous and polite throughout the two week work, always on time and happy to adapt original plans, offering advice a long the way. The completed work was finished to a high standard and within the specified timescales originally given. We would have no hesitation in recommending this company to family, friends and work colleagues. **Customer in Uckfield, 30 November 2011**
