Checking consumer unit - fault found in outside cables and repaired. — 10 / 10

They responded very quickly to an emergency, and knew exactly what the fault was likely to be, and subsequently repaired the cable responsible. He took the trouble to explain what had happened, and was very competent and I would recommend the firm to anyone else, as I would call on them should I need further help. **Customer in Horley, 20 October 2011**
