Most Recent Customer Feedback

Replaced pipes and outside garden tap, fitted new sink taps, door bell, ceiling rose and shortened and fitted interior door 10 / 10

Mervyn was very helpful when he came round to give me a quote for the work explained fully what he was going to do. He turned up on time and completed the work within the time quoted. Very pleased with all the work and the outside tap and pipes look so much better than what I had. All was left clean and tidy. I plan to have more work done by him. Very pleased and have recommended him to a friend already. **Customer in Bournemouth, 20 April 2012**

Replacing immersion heater and repairing water damage 10 / 10

Excellent and good workmanship, very pleased with the service and new heater. **Customer in Andover, 15 March 2012**

New fusebox, exterior lighting and various other required jobs following a house move 10 / 10

Merv is probably the most trustworthy tradesman I have had the pleasure to come across. He does what he says he will at the time agreed and does so at a fair price for high quality work. He is a nice bloke to have around the house which is an important quality when on site for a period of time and he will always be my first call when things need sorting in the future! **Customer in Bournemouth, 13 March 2012**

Replace security lighting. 10 / 10

A very good company. Polite helpful and informed you of everything being done. Would recommend this company 100%. Thanks for an excellent job. **Customer in Christchurch, 27 September 2010**

Installation of water cylinder 10 / 10

Very professional, polite, hard wroking, would thoroughly recomend Elec-Trick. **Customer in Poole, 19 April 2010**
