### Most Recent Customer Feedback

#### Complete testing, new sockets, installed 2 extractor fans 10 / 10

Cannot speak highly enough of Mark and his assistant Graham who did some of the work for us. Absolutely professional, very friendly, nothing too much bother, work top quality including excellent finishing and cleaning up afterwards. Can recommend Electrical Solutions (Woodley) without reservation **Customer in Reading, 28 April 2012**

#### Two new sockets 7.8 / 10

Prompt to come and give us estimate but when job arranged, didn't turn up on day or call. When we called he said he had problems and would call us back but didn't, didn't return call to subsequent message. Sockets fitted but left hanging out, didn't fill the plaster on walls where socket fitted, I expected him to fill it leaving us to sort out re-painting. But since has been back to rectify. **Customer in Reading, 29 February 2012**

#### Installation of smoke detectors 10 / 10

Mark replaced 3 mains wired smoke detectors for me and explained how and when to replace the back up batteries, which was very useful. He was very tidy and courteous. I'm very pleased with the job and relieved that my house is now protected by smoke detectors that actually work! **Customer in Bracknell, 26 January 2012**

#### New fuse box an additional sockets 10 / 10
