Most Recent Customer Feedback

Fixed faulty dimmer switch and spotlight.

9.6 / 10

Excellent service - sorted out the problems quickly, efficiently and thoughtfully. Paying on an hourly rate does feel like a slightly expensive option, but you know the job will get done and to a high standard. **Customer in London, 22 June 2010**

Install spot light bathroom / install and re rate circuit box.

10 / 10

I would recommend this company. **Customer in Croydon, 27 April 2010**

Consumer unit replacement, new bathroom light, wiring alteration to underfloor heating.

9.3 / 10

I was advised in detail about the necessary work and options, received accurate quotes speedily and the electrician (Mark Thomas) carried out the works competently and efficiently, explaining at all times what he was doing, very professional. **Customer in London, 21 April 2010**

Periodic inspection report

9.5 / 10

Carried out an electrical test at a property I am purchasing, were able to liaise with the vender and estate agent which made my life much easier, provided report promptly and very willing to discuss issues over the phone to explain work required and the improvements on the purchase of the property, excellent service and will be using them again. **Customer in London, 22 February 2010**

Fixed outside sensor light / Inside dimmer switch.

9.7 / 10

Reliable, trustworthy and competent. **Customer in , 12 February 2010**
