### Most Recent Customer Feedback

#### Speedy response to my email query!

10 / 10

I contacted Danny Otter via email to enquire into the cost of a repair to a Beko Frost Free Freezer. I was very impressed with the detailed response to my query. It is very refreshing indeed to get such a speedy response detailing the possible fault and also the expected labour and parts costs. So service exemplary EVEN before we decide to have the work done. On that basis I must endorse all the positive comments made about this company's service as we have yet to decide whether to repair or replace! Ten out of Ten. **Customer in Worcester Park, 23 May 2012**
