Removal of a Leylandi hedge

10 / 10

Very pleased with the work. This hedge was rather high and had started to die off so it had to go. No problems for the Elmcroft Tree team, who felled and cleared approx 14 trees, tidied up and took away all the evidence. Many thanks for a job well done, we would have no problem recommending Elmcroft Tree Services. **Customer in Bognor Regis, 10 February 2012**

Reduce two trees and remove one tree

Elmcroft quoted the lowest estimate. I felt very comfortable with the whole team of four. Mr Wilson also sharpened my chainsaw and showed me how to do it, and left me a file. I would use Elmcroft again. **Customer in Littlehampton, 28 November 2011**

Felled a 40 foot poplar in a confined space and removed debris

This is an excellent company and I would be pleased to recommend them to anybody. I have no doubt that I will be using them again in the future. The work was quickly and efficiently executed and the garden was left clean and tidy on completion. **Customer in Bognor Regis, 25 May 2011**
