#### Front extension to house

10 / 10

This front extension was built quickly, effeciently and finnished to a high standard, incorporating our ideas such as a wonderful internal archway that links the new build with our existing building. Many thanks again to Edd and his hard working team. We are very pleased with the work. **Customer in Fareham, 15 March 2012**

#### Refurbishment of kitchen, stairs and landing

9.3 / 10

Overall we are pleased with the work that Edd and the team put in and the finished article. It could have been slightly better with some respects by clear articulation of what was required by ourselves or knowing what Edd would be doing that day in more detail. We are happy with the outcome. **Customer in Eastleigh, 10 March 2012**

#### Two storey extension, garage below, bed and bathroom above

9.5 / 10

Eddie and his team took on a fairly substantial two storey extension for us creating a large double garage and bedroom with ensuite above. A fairly considerable job by any standards, work progressed at a fantastic rate and was always left

secure and tidy. A good standard of finishes with doors/windows throughout and a large hand cut roof with sturdy sized timbers over normal was built. Upon completion we had Eddie carry out landscaping and create a new driveway for us, all done to a good standard and on budget. **Customer in Fareham, 1 December 2011**
