New bathroom, new ensuite, new dressing room, new kitchen/diner

10 / 10

Recently Steve and his team have done some exceptional work which we are absolutely delighted with. Upstairs work included a total redesign of the family bathroom where the room was taken back to a shell and new wall built to accommodate the redesign. In the master bedroom a brand new en-suite shower room was designed and built along with walls being modified to accommodate changing bedroom four into part of the master bedroom as a walk in dressing room. Ceilings were skimmed flat and new down lights fitted. Where doors and door frames were removed, walls were rebuilt and skimmed flat to a very high standard. Downstairs Steve and the team have transformed the house by removing an internal brick built wall which separated the kitchen from the dining room to create a large kitchen / diner. Floors had to be levelled as did the walls to ensure everything matched up beautifully. The kitchen was then totally redesigned, new wall and floor tiles and an outside door was bricked up as was an internal door. The ceiling was

skimmed flat and more down lights fitted. The end result is stunning ! We cannot fault anything that has been done and we would not hesitate to recommend Excel Bathrooms and Kitchens to anyone. The workmanship is to an extremely high standard, it was completed on time despite us asking for a few extras to be done and the whole team is a pleasure to have working in the house. Steve, Kev and Liam all get a well deserved 10 out of 10. **Customer in Southampton, 1 February 2012**

New Shower Room

10 / 10

What a fantastic job, Steve and his team of Liam, Ben and Steve completed the work efficiently, professionally and to a high standard. They were prompt and the time scale they gave for the work was spot on. The price for the complete job was very fair and they did more than the job as they finished off the tiling in the kitchen for us at no extra charge. I would recommend them without hesitation and we will be employing them again this year refit the bathroom. **Customer in Lee-on-the-Solent, 26 January 2012**
