Replace Hot Water Cylinder

10 / 10

After receiving a call from my tenant, reporting the failure of the hot water cylinder, I called Express Plumbing to request a visit. Ernie came the next day and gave me the bad news - the (admittedly rather old) system had given up the ghost. He's a very knowledgeable guy and took care to explain the options, likely costs and timescale for replacement. The work was done a few days later. Quality workmanship, good advice and the flat was left spotless afterwards - I would not hesitate to call Ernie again for any future plumbing work. **Customer in Tadworth, 17 April 2012**

Unblocked toilet

The work was completed satisfactorily within an hour of phoning which was very much appreciated. **Customer in New Malden, 27 February 2012**

Burst water pipe

10 / 10

Rang at 13:00. Sorted by 14:40. I am stuck at work but Express Plumbing answered my call to fix a burst pipe when no one else did. The job was promptly done and sorted out a bad leak which was distressing as my wife had enough to deal with as our baby was poorly. We would highly recommend this Checkatrade member. **Customer in Epsom, 11 February 2012**
