### Most Recent Customer Feedback

#### General property maintenance

9 / 10

Efficient once job started, smooth running and pointed out further works needing remedial action. **Customer in London, 22 May 2012**

#### Complete refurbishment of mansion flat in Prince of Wales Drive

10 / 10

The flat had to be completely gutted and everything redone (new plumbing, new central heating, new wiring, replastering, new floor, walls and chimney breasts removed, steel inserted, new bathrooms, etc, etc **Customer in London, 31 January 2012**

#### Built in alcove units, new front path, new ceiling, floor, complete re-decoration etc.

10 / 10

Excellent workmanship, very competitive price, photographs were taken to show me whenever something unexpected turned up. Eddie project managed it from start to finish. **Customer in London, 23 October 2011**

#### External decoration, cleaning brickwork and re-pointing.

10 / 10

Overall very satisfied with the level of workmanship in different trades. John Falcon is a very knowledgeable tradesman and was always offering helpful advice to keep costs down. The project over- ran but only because of the dreadful weather. Very happy with Falcon builders and would definitely use again. The building was left clean and tidy as well. **Customer in London, 17 December 2010**

#### Re-roofing extension roof, replacing door frame and insulation of bathroom wall

10 / 10

Very reliable time-wise. Cleared up at the end of each day and made sure toilet back in working order and door secure. Very nice guys, polite and helpful. Did accidentally break cat flap, but replaced with new one within 24 hours with no fuss. Also did a few extra small tasks - one I requested, and one I hadn't, but much appreciated. Had to report a very
