This was an emergency call out , and Cameron Avery attended very promptly . There was no call out charge and he did his best to minimise the cost. The repair was executed very competently. A quiet pleasant character who fully justified his inclusion in the list . **Customer in Woking, 12 February 2012**

Mended jammed front door lock, and re-aligned it to work better than it had before.

Calm and clear communications throughout. Gave choices and explanations about what work to carry out. Very neat and tidy, left no mess to be cleared up. As requested, parked on our drive to avoid inconveniencing our neighbours. Polite to us and to his assistant. **Customer in Woking, 2 February 2012**
