Cleaning house prior to house sale

10 / 10

Following a house sale I needed a really deep clean after the furniture had been removed. With five cats and many boxes the house and carpets were very dusty/hairy. I needed the work done at short notice and First Choice Cleaners Ltd were able to do that. The team of three young ladies turned up from First Choice Cleaners Ltd and did a magnificent job. They worked extremely hard and co-ordinated their programme so that the whole house was done in a couple of hours. The results are fantastic. I would recommend this company for a one-off or routine cleaning. Very happy with the results. **Customer in Coulsdon, 24 April 2012**

Regular cleaning

10 / 10

I've had First Choice doing fortnightly cleans for about four months now, and I've been very impressed with the speed and care in their work. I work from home and so I'm usually here when they come, which I know is fairly unusual, but it does mean I see how quickly they work. I have three cleaners come each time (not always the same three, but there is always at least one who I recognise), and they are in and out in just over an hour usually. Would certainly recommend them. **Customer in Leatherhead, 6 February 2012**

Deep clean with particular emphasis on high-level and furnishings

10 / 10

I am very happy to recommend this firm. The boss, Andrew, is particularly easy to contact and diligent about responding to answer phone messages. The cleaning team were terrifically hardworking and achieved an awful lot of work in limited time, with courtesy and good humour. **Customer in Dorking, 30 August 2011**
