Most Recent Customer Feedback

New garden gate and two fence panels supplied and fitted 10 / 10
Danny was very quick and efficient. Carried out extra bits and pieces whilst doing the quoted work, went the extra mile without extra charge. **Customer in Southampton, 12 March 2012**

Replaced two fence posts and a panel 10 / 10
Excellent service and the work carried out in a professional manner and in a short time. Extra work carried out due to more wind damage since original quote did not phase them; and the fee was extremely reasonable. The friendly nature of the team made this a stress free experience. I would certainly recommend Forest Edge Fencing to others. **Customer in Southampton, 6 January 2012**

Remove old fencing and takeaway, replace with concrete posts, gravel boards and closeboard fencing. 9.5 / 10
This company were prompt to come and give us an estimate and to commence work. The work was carried out with care to our and our neighbours garden. They explained what and how they were doing the fencing on our sloping garden. The work was completed to our total satisfaction and we would certainly recommend them to everyone. **Customer in Southampton, 8 October 2011**

New feather edged fence. 10 / 10
Very pleased with my new fence. Danny and the lads done a fantastic job. Everything was as you would expect but what I really appreciated was the attention to detail and no hassle attitude. If you want a good tradesman with a good old-fashioned "can do" attitude then I would definitely recommend. **Customer in Southampton, 22 June 2011**

Replaced an old fenced

10 / 10

We would highly recommend the work of Danny and his team. They have done several repairs on our fences in the past and each job has been excellent, to the price quoted, and the garden is always immaculate afterwards with even the paths swept. **Customer in Southampton, 8 April 2011**
