Complete fencing replacement and new plant/vegetable bed contrusted with railway sleepers 10 / 10

Stephen and his team were punctual, polite and very hardworking. They rolled their sleeves up from the start and set about replacing 13 x 6ft fence panels, as well as changing a number of wooden for concrete posts. Next up, they dug out and levelled the footings for 23ft of railway sleepers for our new plant and vegetable raised bed - offering suggestions about how we wanted the timber arranged and finished. In between this, they expertly pruned two trees, removing all unwanted foliage and transported the old fencing and all green waste to the local amenity facility. Stephen was straight-forward with his pricing, which didn't increase and he did exactly as had been planned with us previously, keeping us informed of issues throughout the day. All in all, if I could score more than ten, I would. **Customer in Shoreham-by-Sea, 5 April 2012**

Reduction of a very large conifer

10 / 10

This is a first class contractor and I would have no hesitation about recommending him to anyone. Problems concerning the core of the tree, which were not foreseeable on initial inspection, meant that work could not continue without hiring in a cherry-picker. This clearly put a big hole in Stephen's budget. However, he did not increase his price. His team were punctual, worked hard, did an excellent job and cleared up after themselves. I would certainly be happy to use Four Seasons again. **Customer in Worthing, 20 March 2012**

Take down a very large tree in very close proximity to garage and fence

10 / 10

I was very impressed with every aspect of the service provided by Four Seasons. There were 5 men on site for two and a bit days and I cannot fault anyone of them for being hardworking, careful and polite all the time. They left everything tidy on completion. Based upon my experience I would highly recommend them. **Customer in Worthing, 19 March 2012**

Fencing garden and laying new lawn.

10 / 10

Steve and his men have worked incredibly hard, going above and beyond the call of duty. The quality of the workmanship is excellent. They were always polite and courteous, keeping us informed of progress and problems along the way. Steve kept to his word when quoting for the job 'not a penny more, not a penny less' and when the work took longer than anticipated did not attempt to charge us any extra. They tidied up before leaving each day and left everything looking immaculate at the end of the job. We would recommend Steve and his company without hesitation as a reliable, professional and friendly company. **Customer in Chichester, 13 March 2012**
