Most Recent Customer Feedback

Electrical re-wiring of existing property, in new and old parts of building. Also included structured cabling for data transmission and TV cabling. 10 / 10

Excellent quality of work as well as flexible and reliable service. No requirement was too difficult to do and all work was done to a very high standard. Always left area tidy and clear and always kept appointments as agreed. Friendly and reliable service. Highly recommended. **Customer in East Grinstead, 6 April 2011**

Lighting and repair of electrical fault 10 / 10

Stewart was great. He came out the same day that I called him, made everything safe and returned at a later date to complete work. I would definitely recommend him. **Customer in Uckfield, 11 September 2010**

Upgrading the fusebox 10 / 10

We can thoroughly recommend this company. They were quietly efficient and consulted us if there were issues of which we were previously unaware and were able, without fuss, to put matters right.

We will certainly keep them in our trusted tradesmens file for future work and recommendation. **Customer in East Grinstead, 13 August 2010**

move bt main box 10 / 10

clean, professional and very affordable. **Customer in Forest Row, 29 October 2009**

Running electricity to outside shed from house 10 / 10

Stewart was very friendly, reliable and trustworthy. I would definitely use his services again and have no hesitation recommending him to others. **Customer in Forest Row, 26 October 2009**
