Repairs to complex roof and leaking roof gully, removal two redundant chimneys and repointing to third chimney

10 / 10

Absolutely great job. Really pleasant people and took great care to carry out all work to an excellent standard. Extra care taken to move tiles from a hidden area to a more obvious aspect where a very weak and redundant chimney was removed - you can barely see where the chimney used to be. Good price, honest quote as to the work needed and wouldn't hesitate to recommend to anyone else, very highly. **Customer in Worthing, 18 April 2012**
