Gary and his colleagues are the best contractors we have ever used, we have no hesitation in recommending this company to others. Gary and his team always turned up on time. Always contactable by phone and with immediate response to messages. The team always came up with a solution on any problems we had. They went out of their way to be accommodating, likeable and friendly. Very pleased with the quality of the work and the finished job. Highly recommended. **Customer in Hove, 30 November 2011**
