TV shelving and fitted wardrobe

9.5 / 10

Very good job done. Glenn was friendly, polite, punctual and tidy. He completed the work to a high standard and took great care to ensure we were entirely happy with the finished job. He also did various extras in the work which arose during the job without increasing the cost from the initial quote, even though these took some extra time and used extra materials. He was competitive vs. Other quotes we received and we would certainly recommend him to others for this type of work. **Customer in Kingston upon Thames, 27 April 2012**

Full Kitchen Refurbishment

10 / 10

Glen and his team are without doubt the most thorough and dedicated tradesman we have ever used. Not only do they get the job done quickly and effectively, but they are able to use their experience and expertise to improve the overall end result. In under two weeks we waved goodbye to an embarrassing tired old kitchen with crumbling ceilings and walls, then said hello to a wonderful new kitchen with: newly plastered ceilings and walls; granite floor tiles with underfloor heating; 20 unit kitchen with floor lighting, granite worktops and integrated appliances. Thanks to GM Installations we now have a kitchen to be proud of - we would definitely use them again on any future projects and wholeheartedly recommend them to others. **Customer in Twickenham, 16 April 2012**

Built two full length cupboards in the kitchen and shelves in-between

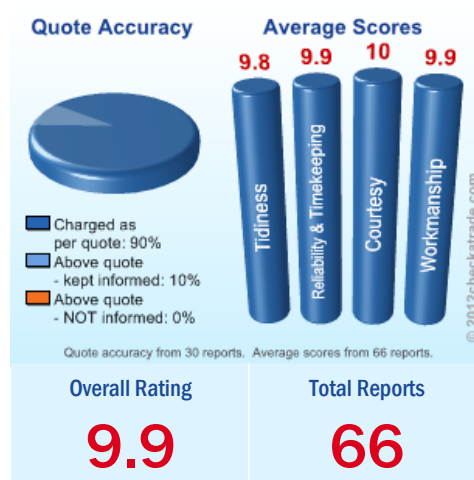

10 / 10

Glen came and built two cupboards in our kitchen and put shelves in-between. He worked incredibly quickly and the cupboards are fantastic. We are definitely going to use him again and it is great to have found someone who is not only 100% trustworthy but also does a fantastic job. **Customer in Kingston upon Thames, 22 March 2012**

I am thrilled with the work Glen completed in my house! He has transformed my tatty spare bedroom into a masterpiece! Glen gave me some excellent suggestions as to how the wardrobes should be designed and has created a fantastic

dressng room area within the two cupboards. He has paid great attention to detail ensuring that the finish of the walls is immaculate. I am thoroughly impressed with his commitment and hard working attitude and would recommend him to friends and neighbours. I intend to ask him to design some wardrobes in my master bedroom. Thank you Glen.

Repainting exterior of house

10 / 10

I left my dingy, yellow house in the early morning and arrived home to a freshly painted white house with black glossy window sills. Glen worked extremely hard to complete the job in two days and cleared up meticulously. I intend to ask him to fit and paint a smart new front door to match the smart new exterior of my house! Thank you Glen! You are a star.
