Bathroom repaired, re-tiled and refitted

10 / 10

I had a leak in the bathroom, with broken floor tiles and dated decor. Gapp stripped out old fittings, repaired the problem - then re-tiled and replaced shower cubicle. The end result was a beautiful bathroom - even the old bath and sink looked like new once refitted!! Excellent service. **Customer in Fleet, 25 March 2012**

Kitchen revamp - New cooker, tiling, marble tops and decorated

10 / 10

Conducted over 2 to 3 weeks due to complexity of removing and installing various components. We have used Glen before fitting new shower room and have found him extremely friendly and helpful. Standard of work is excellent. **Customer in Sandhurst, 13 February 2012**

Complete bathroom refit

9.8 / 10

Glen provided a really good service. From the quote I was impressed in his general approach and flexibility. We were able to see what size bath would fit after everything was taken out which for me was a real selling point - no one else suggested this approach. Glen was really helpful and reassuring before the job was done and whilst it was being done too. I felt could trust Glen's professional opinion and that the best for the job would be done. We are really pleased with our bathroom, exactly what we had hoped for. Glen was really helpful and did a great job. **Customer in Guildford, 30 January 2012**
