Very polite and utterly trustworthy. I would recommend him. **Customer in Henfield, 16 March 2012**

**I aborted an appointment at the last minute** 10 / 10

Literally ..the night before Marcello was due to work on my boiler which had "fixed itself" since making the booking - I called him to say it was working and I should have called him much earlier. I was a bit worried as he potentially lost a mornings work - He was a real gent saying to me don't worry and to call him if it went wrong again (he could have understandably been annoyed). He has done work for us before and I wouldn't use anyone else!! **Customer in Brighton, 10 January 2012**

**Boiler test** 10 / 10

I rang on Saturday morning hoping for a Monday appointment, he attended within an hour, impressed by his knowledge and workmanship and politeness. He deserves to succeed. **Customer in Brighton, 15 October 2011**
