#### Decorating

Just to let you know how delighted we are with the decoration of our sitting room, dining room, hall, stairs and landing that you completed this week. It all looks so lovely and we are thrilled with it. We found your workmanship excellent and it was a pleasure to have you and your lads in the house (not something that I can say with other work we have had done by other firms!). **Customer in East Sussex, 4 December 2009**

#### Carpentry, Plastering and Re decorating

Mike and his boys have completely renovated our house back to how it should be, from re fitting period picture rails, skirting boards, replastering and completely redecorating. Mike has a very good eye for detail. Our house is absolutely stunning now because of G.C.Dannicks professional skill and techniques and use of quality materials. We will definitely recommend them to family, friends and work colleagues.

My husband and myself are very pleased with the high standard of work we received. They started and finished when they said they would. They put all furniture back into all the rooms. G.C.Dannicks staff done over and above the call of duty and our expectations. Well done Dannicks! We will definitely recommend you and use you again.

I received a first class service from the moment I phoned, right to the day they finished the work. I don't they could have done better if they tried. If you cut Mike in half he would have professional written right through him. I would recommend them. **Customer in St. Leonards-on-sea, 14 July 2009**

Professional, outstanding work quality, clean and tidy. All members of staff were polite and courteous. Awesome family bond in the work place. Would always use and most certainly recommend them. Not only as a professional outfit but now as friends.
