Driving Lessons

I would say Darren is as good as they come with regards to driving tuition. From the first moment I sat in his car I felt relaxed and at ease, and his constant encouragement and support was a welcome change (having had a previously disappointing driving experience). Darren's tips and hints helped me learn all the manoeuvres with confidence, and I passed with Just 2 minor faults. I would recommend Darren to anyone trying to learn to drive. **Customer in Reading, 9 May 2012**

Driving Lessons!

The teaching styles of Darren has helped me grow in confidence. There is always great feedback at the end of the lesson. You leave the lesson knowing what you need to work on for the next lesson. With working with a tick list you see what needs to be worked on. Out of all the driving instructors I have had Darren has helped me the most, made learning the manoeuvres easier to remember. While driving, the atmosphere in the car is really relaxed and easy going, there is no pressure or stress, which helps a person who might be low in confidence! I would recommend GDI to all my friends and family! **Customer in Woking, 26 March 2012**

Driving Lessons

Darren was a fantastic driving instructor. I was really nervous when I first started driving my Darren put me at ease and was always calm and relaxed. He was also always very honest, if he felt I didn't need any more lessons he would refund the money and I didn't feel like I had more lessons that I needed. What I really think separates Darren from other driving instructors is the fact that he makes you a good driver before he starts on the exam. Lessons like the distraction lesson give you a good idea of what it will be like when you have friends in the car and what the realities of driving are. I would really advise going with Darren! **Customer in Guildford, 16 March 2012**

Driving instructor to help me pass my driving test!

10 / 10

Darren really is a great teacher, his skill in relating the complexities around driving and different techniques to help me learn and build up my confidence is second to none. I passed my test first time on Friday 27th January. I hugely recommend Darren as a driving instructor. **Customer in Guildford, 27 January 2012**

It would be a mistake to book a driving instructor in Guildford other than Darren; he is the best you will find. Throughout my training he was patient, helpful and adjusted the lesson plan to focus on anything that needed perfecting. He trained me to such a high level that I felt no nerves during my test because I knew I could do anything the examiner asked of me. I passed first time with only 2 minor faults. I only passed yesterday and have already recommended him to a friend!
