Most Recent Customer Feedback

Long hedge of spiky Berberis trimmed back very neatly. Sawn off tree branches sawn back to trunk 10 / 10

Martin and Danny were both polite and very efficient. They telephoned to say they were on their way and arrived promptly. The job was done quickly and efficiently and all waste rubbish was removed. They also very kindly unblocked some roof guttering which was full of leaves etc. I would have no hesitation in recommending them. **Customer in Southampton, 2 May 2012**

Tree pruning and tree removal 10 / 10

Sorry just been told off by the wife that I was a bit mean on my previous scoring and should have given a ten on all counts. Would definitely recommend Martin and Danny and would not hesitate to use them again. **Customer in Southampton, 16 April 2012**

Tree pruning, stump removal, old shed removed. 10 / 10

Martin and his team carried out the work efficiently. Time keeping was good and they worked right through without a break(except for the odd cup of tea).They cleared up very well, you wouldn't know any work had been done! They were polite and made certain I was happy with the job before they left. I would most certainly recommend them to my friends and neighbours. **Customer in Eastleigh, 13 April 2012**
