#### Range Rover paint correction. 10 / 10

Our Range Rover had suffered in hedgerows, mountain passes and the car washing abuse of a previous owner. Although relatively young, the paintwork was looking dowdy. John and Diane restored the car in a way we didn't think possible. It now looks the part again. Very pleased. We have no hesitation in recommending this company.

#### Exterior and interior valet of Volvo V70. 10 / 10

We were delighted with the fabulous wonder that John and his partner worked on our V70. Once they'd finished, the car looked better than when we brought it 9 months ago. Their attention to detail is amazing and we whole heartedly recommend them. **Customer in Worthing, 24 February 2010**

#### Gold Valet of BMW E46. 10 / 10

When I purchased my car it was in a very sorry state, I wanted to give the car a clean it deserved and needed so badly. John recommended a Gold Valet over the phone which he did (and more!!) When they left after an unbelievably thorough job that took them nearly 4 hours at no extra cost, I went over the car and the work was faultless. GCV honestly took years and tiredness off my car, it now looks great! Very punctual, tidy and friendly service I would recommend GCV to anyone and will 100% use them again! Brilliant.

#### Platinum exterior valet. 10 / 10

John and his partner gave my prized R32 a Platinum Exterior Valet, and did a brilliant job! They were both polite, helpful and meticulous for the full 4-5 hours. A complete attention to detail, and a more thorough job than I was expecting. 10 out of 10, and would highly recommend to anyone. **Customer in Worthing, 30 January 2010**
