Lay underlay and new carpet to bedroom

10 / 10

This company was excellent. After I put my order in to the showroom in Billingshurst, the fitters rang me to say the carpet was in and gave me a date for fitting. They then rang me on the morning of the fitting to say they were on their way. They completed the fitting in record time. The two guys were very polite and friendly. There was absolutely no mess at all and they took away the bits I didn't want. I would have no hesitation in recommending this company to anyone.

A good job, though left floor dusty and un-swept. **Customer in Worthing, 24 April 2012**
