Cleaning of very dirty moss covered crazy paved patio and tarmac drive 10 / 10

Absolutely delighted - just like a brand new patio - wouldn't have believed it possible. Tony was very efficient and added the cleaning of gate and stone walls which were not included in the quote ! **Customer in Leatherhead, 2 March 2012**

Driveway tidied up and re-sanded and Guttering cleared 10 / 10

My driveway looks like new! My driveway had become very weed ridden, the plants from the neighbours were growing over the driveway and it just looked worn and dirty. Tony did an amazing job, the driveway is now weed free and all the growth from the neighbouring property was cut back. It looks like I've had a new driveway laid. Tony also cleared an overflowing gutter for me. So pleased, I would definitely use him again and recommend him. Very reasonably priced too. **Customer in New Malden, 4 October 2011**
