#### A)Emergency repair to GCH boiler then later:B)

#### Remove and replace failing ignition system parts plus service.

10 / 10

Chris and Grant both deserve our thanks for their efforts, the "emergency" first part of the work carried out just before Christmas allowing our arrangements to then go ahead (we were hosting a family Christmas) followed by a more in-depth repair and service. Cannot fault them for fair and honest dealing and costs. Based on our experiences, would highly recommend them. **Customer in Pevensey, 31 January 2012**
