New drive at front of house, new fencing, patio, garden path and turf at rear

10 / 10

Ian and Mark worked extremely hard to create a new drive, patio, path and fence for us. We are very pleased with the finished result and would recommend them to anyone thinking of having similar work done. They were very courteous, pleasant and professional throughout and made helpful suggestions as the project developed. We have asked them to quote for some further work we want done and would definitely have them back. **Customer in Worcester Park, 1 December 2011**
