Decorated hallways and landings 10 / 10
We have used Simon before and we didn't hesitate to contact him again when we needed more decorating. I couldn't recommend GPS highly enough. The work was completed ahead of schedule which was great when you have a toddler running around. I was given an update everyday on progress. We want more work done in the summer so again we hope Simon is available! **Customer in Basingstoke, 2 April 2012**
