I picked Greenscape because of their very good reviews on Checkatrade and am so pleased that I did. The team I would recommend this company's extremely hard working, courteous, friendly, nothing is too much trouble and they even finished ahead of schedule. **Customer in London, 15 February 2012**

Very pleased I chose Greenscape James was hard working and repaired my fence to a high standard, way above my expectations. James was very courteous at a difficult time for me. I would highly recommend them to others and would use them again. **Customer in Walton-on-thames, 6 February 2012**

Replaced several fence posts with new posts and concrete supports

10 / 10

The guys did a fantastic job removing the old rotten posts and installing the new ones with concrete bases and concrete supports. They worked on the 2 coldest days of the year to get the job completed. The fence is in a great condition now and I am very happy that the work is guaranteed. Excellent company to deal with, professional, courteous and the standard of work was top notch. Would say it was slightly on the expensive side but overall very happy with the outcome. **Customer in London, 2 February 2012**

The team of three were very organised, always on time, hard workers, courteous and friendly. Their workmanship was first rate, they readily responded to requests and suggestions and they always left the site clean and tidy each day. They were a pleasure to have around and an example to others. Highly recommended., **Customer in Esher, 19 January 2012**
